

INSTALLATION INSTRUCTIONS

This lighting fixture must be installed by a qualified contractor, in accordance with local and national electrical codes.

WARNING:

To reduce the risk of **FIRE OR INJURY** make sure all power is turned off before installing or performing any maintenance. Lamp gets HOT quickly! Allow to cool before performing any maintenance.

Keep away from materials that may burn.
Do not touch the lamp at any time.
Fixture is not submersible and must be installed above ground.

MOUNTING:

1. Use thread sealant to seal the fixture stem threads.
2. Thread fixture into 1/2-NPS mount on junction box, ground box or ground spike. Tighten with included locknut.

ELECTRICAL WIRING:

1. Fixture voltage 12V, separate 12V transformer required.
2. Connect fixture wires to 12V supply wires in a waterproof wiring enclosure and/or use waterproof wire connectors. Use wire rated for min. 90° C.

LAMP INSTALLATION/REPLACEMENT:

Lamp Type: 12V halogen MR16 lamp, bi-pin base, 50W max (by others).

1. Unscrew and remove hood.
2. Remove old lamp by pulling it straight out.
3. Reverse previous step for the new lamp.
4. Inspect o-ring and remove any dirt or debris that may prevent proper sealing.
5. Screw hood on hand tight. Do not operate the luminaire with a missing or damaged hood.

AIMING/ADJUSTMENT:

1. To adjust the angle loosen the adjustment screw using the supplied hex key, set to desired angle and tighten when complete.

SAVE THESE INSTRUCTIONS.
CONSERVEZ CES INSTRUCTIONS.

INSTRUCTIONS RELATIVES AUX RISQUES D'INCENDIE OU DE BLESSURES. CONSIGNES DE SÉCURITÉ IMPORTANTES.

Lampe allumée est CHAUDE!

AVERTISSEMENT - Pour réduire le risque d'INCENDIE OU DE BLESSURES:

Coupez l'alimentation électrique et laisser refroidir avant de remplacer la lampe. Lamp devient CHAUDE rapidement! Ne touchez le commutateur/fiche pour allumer. Ne touchez pas la lentille chaude, garde, ou enclosure. Gardez la lampe loin de matériaux inflammables. Ne touchez pas la lampe à tout moment. Utilisez un chiffon doux. Huile de la peau peut endommager la lampe. Ne pas faire fonctionner l'appareil avec un écran manquant ou endommagé.
